Method 1:

Using a ring you already own with our printable guide

1. Print this guide with page scaling set to 100%

2. Place a ring you already own (or have borrowed)

3. Match the **inside of the ring** to the circle nearest in size. The measurement shown refer to the **inside diameter** of the ring

4. If the ring falls between two sizes, order the larger size

Method 2:

Using the paper strip this ring size method

1. Print the ring sizer, making sure that it is printed to actual size

2. Cut out the ring sizer paper test and create a slot where marked

3. With the numbers facing out, slip the tip of the ring sizer through the slot

4. Place the sizer on your ring finger and carefully pull it taut to read the finger size.
